# SURABAYA WEEK CULTURE

14-19 NOVEMBER 2022

## Course Features

As a faculty which focuses on urban cultural studies and history, the Faculty of Humanities Universitas Airlangga attempts to conduct academic and cultural activities that portray the diversity of vibrant cultural lives in urban areas in Indonesia. Located in Surabaya, the second biggest trade city in Indonesia, the faculty offers this Summer Course program as part of its mission to take part in disseminating the vibrant portrayal of culturally rich urban communities. In this program, the participants will have opportunities to know more of this multicultural lives through a number of courses, as well as cultural trips and introductory trainings in Indonesian music and batik.
